

Handout #1: THANK Cue Card

Directions: Consider using the THANK strategy to advocate for others to receive supports.

Accommodations: Changes that can be made that will help you succeed or reach your goals (sometimes called adaptations). They can be used to overcome academic obstacles.

Universal Supports: Supports that are provided to all of the students in a class- rather than a select few.

THANK

TH- Thank the teacher for providing you with an accommodation and state your appreciation.

A- Attest to how the **A**ccommodation helps you

N- Nudge the teacher to consider offering it in a universal way

K- Keep advocating!
